Railway Plant. Railway People.

A cut above the rest

Husqvarna Battery Rail Disc Cutter

Item Code: 01-028

Torrent Trackside is taking delivery of the new Network Rail approved Husqvarna K1 Pace 14" 94v Battery Rail Disc Cutter. This new tool is safer for the operator and better for the environment yet retains the power of the petrol equivalent and the trusted Husqvarna reliability.

- Cuts through rail in minutes
- Network Rail approved (PA05/07761)
- Up to 5 cuts per charge (with ceramic disc)
- Significant reduction in HAVs
- Mounts quickly to the rail
- Perfect right angle cuts
- Comes with 2 batteries
- Push button start, no pull cord
- Cutter will not operate unless fixed to the rail
- Zero emissions - better for the operator, better for the environment
